

If you are interested in buying and owning an Alaskan Malamute pup from "Canadian Malamutes " Kindly take a few minutes to fill out this questionnaire. Your answers will be used to determine if this type of breed is best suited for you, your family and lifestyle. After reviewing the answers, if satisfactory, the possibility of owning one of my pups will indeed become a reality.

I do not decide on first come basis, however, IT IS VERY IMPORTANT TO ME, that this pup is placed in a home, where he/she will have security, be happy, unlimited love, proper diet, exercise and above all freedom in a yard, as all malamutes should have.

My questions might be a burden for you to answer but I care where my pups are going, the environment, the home they are placed in, etc...
